ANNUAL GENERAL MEETING 2024

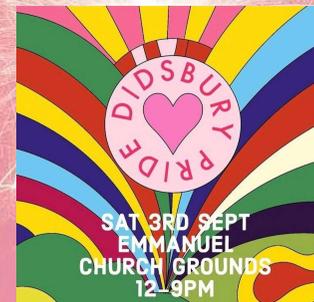

AGENDA

Review of Key Events and VB Activity
Overview of Finance
Membership Update
Proposed Changes to VB Constitution
Election of New Committee
Any Other Business

Events were a Piece of Cake in 2022!

Well, what a tremendous year we've had! Not only a brand-spanking new logo to feast your eyes on and online store set-up, but a host of events sprinkled throughout the year. New additions to our community, more baking tips shared, and plenty of opportunities to showcase our fantastic group's baking prowess... it's been quite a year!

Kicking things off with Pride on the Range in May, working with the lovely Chris Fox, we whipped up a storm there and had the very responsible task of judging all entries in their baking competition. Didsbury Pride in September proved to be also a massive success, with organizer Michael Pollard being the gracious and fabulous host, helping us to tempt the crowds with our goodies which featured rustic cookies, lemon drizzles, and banana cakes to name a few.

To celebrate our 10th birthday in November (I know, where did that time go?!), we had a very special Bake-Off with balloons and banners, to which all creations featured around the number '10'. The always awesome Howard Middleton gave us his expert eye (and taste-buds) and came to judge the vast array of tantalizing entries. Sometimes, you have to bake it till you make it!

Wrapping things up with our Christmas dinner, we were granted the superb Tarrif & Dale for a festive three or two-course lunch with plenty of drinks to wind down a jubilant 2022, and, to quote our late great Queen, to look to the future "with confidence and enthusiasm". Happy baking everyone!
